

116TH CONGRESS  
1ST SESSION

# H. R. 1716

To direct the Secretary of Commerce, acting through the Administrator of the National Oceanic and Atmospheric Administration, to conduct coastal community vulnerability assessments related to ocean acidification, and for other purposes.

---

## IN THE HOUSE OF REPRESENTATIVES

MARCH 13, 2019

Ms. PINGREE (for herself, Mr. ROONEY of Florida, Mr. HUFFMAN, Ms. BONAMICI, Mr. KING of New York, Mr. YOUNG, and Mr. THOMPSON of California) introduced the following bill; which was referred to the Committee on Science, Space, and Technology

---

## A BILL

To direct the Secretary of Commerce, acting through the Administrator of the National Oceanic and Atmospheric Administration, to conduct coastal community vulnerability assessments related to ocean acidification, and for other purposes.

1       *Be it enacted by the Senate and House of Representa-  
2       tives of the United States of America in Congress assembled,*

3       **SECTION 1. SHORT TITLE.**

4       This Act may be cited as the “Coastal Communities  
5       Ocean Acidification Act of 2019”.

1   **SEC. 2. COASTAL COMMUNITY VULNERABILITY ASSESS-**  
2                         **MENT.**

3                 (a) IN GENERAL.—Section 12406 of the Federal  
4   Ocean Acidification Research And Monitoring Act of 2009  
5   (33 U.S.C. 3705) is amended—

6                         (1) by redesignating subsection (b) as sub-  
7                         section (d); and

8                         (2) by inserting after subsection (a) the fol-  
9                         lowing:

10                 “(b) COMMUNITY VULNERABILITY ASSESSMENT.—

11                 “(1) IN GENERAL.—The Secretary, through the  
12                         program established under subsection (a), shall con-  
13                         duct an ocean acidification coastal community vul-  
14                         nerability assessment, and issue a corresponding  
15                         public report, that shall be updated at least once  
16                         every 7 years.

17                 “(2) REQUIREMENTS.—The assessment con-  
18                         ducted under paragraph (1) shall—

19                 “(A) identify the United States coastal  
20                         communities, including island communities, low-  
21                         population rural communities, and subsistence  
22                         communities, that are most dependent on coast-  
23                         al and ocean resources that may be impacted by  
24                         ocean acidification;

25                 “(B) assess the nature of those commu-  
26                         nities' social and economic vulnerabilities;

1                 “(C) identify the ocean acidification im-  
2                 pacts that might harm those communities, in-  
3                 cluding impacts from changes in ocean and  
4                 coastal marine resources that are not managed  
5                 by the Federal Government;

6                 “(D) identify key knowledge gaps where  
7                 research could be devoted to better understand  
8                 the possible impacts of ocean acidification on  
9                 these vulnerable communities, the risks and  
10                 threats facing these communities, and possible  
11                 adaptation strategies for these communities;  
12                 and

13                 “(E) be conducted in collaboration with ex-  
14                 perts who are familiar with the unique eco-  
15                 nomic, social, ecological, geographic, and re-  
16                 source concerns of the Nation’s coastal commu-  
17                 nities, including representatives from the Na-  
18                 tional Oceanic and Atmospheric Administra-  
19                 tion’s National Marine Fisheries Service and  
20                 the Office for Coastal Management.

21                 “(c) SUPPORT FOR STATE AND LOCAL VULNER-  
22                 ABILITY ASSESSMENTS AND STRATEGIC RESEARCH  
23                 PLANNING.—In carrying out the program established  
24                 under subsection (a), the Secretary shall collaborate with  
25                 State and local government entities that are conducting

1 or have completed vulnerability assessments, strategic re-  
2 search planning, or other similar activities related to ocean  
3 acidification and its impacts on coastal communities, for  
4 the purpose of—

5           “(1) determining whether such activities can be  
6 used as a model for other communities; and

7           “(2) identifying opportunities for the National  
8 Oceanic and Atmospheric Administration to support  
9 such activities.”.

10       (b) ONGOING INPUT MECHANISM.—Section  
11 12404(b)(5) of the Federal Ocean Acidification Research  
12 And Monitoring Act of 2009 (33 U.S.C. 3703(b)(5)) is  
13 amended by adding at the end before the period the fol-  
14 lowing: “, also including an ongoing mechanism that al-  
15 lows affected industry members, coastal stakeholders, non-  
16 Federal resource managers, coastal acidification networks,  
17 and scientific experts not employed by the Federal Govern-  
18 ment to provide input on research, data, and monitoring  
19 that is necessary to support on-the-ground management,  
20 decisionmaking, and adaptation related to ocean acidifica-  
21 tion and its impacts”.

22       (c) STRATEGIC RESEARCH PLAN.—Section 12405(b)  
23 of the Federal Ocean Acidification Research And Moni-  
24 toring Act of 2009 (33 U.S.C. 3704(b)) is amended—

1                             (1) in paragraph (8), by striking “and” after  
2                             the semicolon;

3                             (2) in paragraph (9), by striking the period at  
4                             the end and inserting “; and”; and

5                             (3) by adding at the end the following:

6                             “(10) make recommendations for research that  
7                             should be conducted, including in the social sciences  
8                             and economics, to address the key knowledge gaps  
9                             identified in the community vulnerability assessment  
10                          report conducted under subsection (b) of section  
11                          12406.”.

12                         (d) REPORT ON SUPPORT FOR STATE AND LOCAL  
13 VULNERABILITY ASSESSMENTS AND STRATEGIC RE-  
14 SEARCH PLANNING.—Not later than 180 days after the  
15 date of the enactment of this Act, the Administrator of  
16 the National Oceanic and Atmospheric Administration  
17 shall submit to Congress a report on the efforts of the  
18 National Oceanic and Atmospheric Administration to sup-  
19 port State and local community vulnerability assessments  
20 and strategic research planning, pursuant to section  
21 12406(c) of the Federal Ocean Acidification Research And  
22 Monitoring Act of 2009 (as added by subsection (a) of  
23 this section).
