117TH CONGRESS  
2D SESSION

# H. R. 7569

[Report No. 117-413]

To direct the Secretary of Energy to establish a program to provide financial assistance to graduate students and postdoctoral researchers pursuing certain courses of study relating to cybersecurity and energy infrastructure.

---

## IN THE HOUSE OF REPRESENTATIVES

APRIL 25, 2022

Ms. Ross (for herself and Mr. CAREY) introduced the following bill; which was referred to the Committee on Science, Space, and Technology

JULY 15, 2022

Additional sponsor: Ms. BONAMICI

JULY 15, 2022

Reported from the Committee on Science, Space, and Technology; committed to the Committee of the Whole House on the State of the Union and ordered to be printed

# A BILL

To direct the Secretary of Energy to establish a program to provide financial assistance to graduate students and postdoctoral researchers pursuing certain courses of study relating to cybersecurity and energy infrastructure.

1       *Be it enacted by the Senate and House of Representa-*  
2   *tives of the United States of America in Congress assembled,*

3   **SECTION 1. SHORT TITLE.**

4       This Act may be cited as the “Energy Cybersecurity  
5   University Leadership Act of 2022”.

6   **SEC. 2. ENERGY CYBERSECURITY UNIVERSITY LEADER-**  
7                   **SHIP PROGRAM.**

8       (a) FINDINGS.—Congress finds the following:

9                   (1) Addressing cybersecurity vulnerabilities in  
10   energy-related critical infrastructure after an intru-  
11   sion occurs is inefficient, ineffective, and costly.

12                  (2) Integrating cybersecurity considerations  
13   into the research, design, and development of energy  
14   infrastructure represents a cost-effective approach to  
15   enhancing the security, resilience, and reliability of  
16   the electric grid, oil and natural gas pipelines, and  
17   other energy distribution, transmission, and genera-  
18   tion systems.

19                  (3) Successfully employing the approach out-  
20   lined in paragraph (2) as a guiding principle for the  
21   Department’s energy infrastructure activities will re-  
22   quire a diverse, inclusive, and highly skilled work-  
23   force which possesses energy-specific cybersecurity  
24   expertise and familiarity with associated research,  
25   development, and demonstration needs.

1                             (4) A dedicated science scholarship program at  
2                             the Department for graduate students and  
3                             postdoctoral researchers studying energy-specific cy-  
4                             bersecurity disciplines could help address the chal-  
5                             lenges stated in paragraphs (1) through (3).

6                             (b) PROGRAM.—

7                             (1) ESTABLISHMENT.—The Secretary of En-  
8                             ergy shall establish an Energy Cybersecurity Univer-  
9                             sity Leadership Program (referred to in this section  
10                             as the “Program”) to carry out the activities de-  
11                             scribed in paragraph (2).

12                             (2) PROGRAM ACTIVITIES.—The Secretary  
13                             shall—

14                                 (A) provide financial assistance, on a com-  
15                             petitive basis, for scholarships, fellowships, and  
16                             research and development projects at institu-  
17                             tions of higher education to support graduate  
18                             students and postdoctoral researchers pursuing  
19                             a course of study that integrates cybersecurity  
20                             competencies within disciplines associated with  
21                             energy infrastructure needs;

22                                 (B) provide graduate students and  
23                             postdoctoral researchers supported under the  
24                             Program with research traineeship experiences  
25                             at National Laboratories and utilities; and

(C) conduct outreach to historically Black colleges and universities, Tribal Colleges or Universities, and minority-serving institutions.

4       (c) REPORT.—Not later than 1 year after the date  
5 of the enactment of this Act, the Secretary shall submit  
6 to the Committee on Science, Space, and Technology of  
7 the House of Representatives and the Committee on En-  
8 ergy and Natural Resources of the Senate a report on the  
9 development and implementation of the Program.

10 (d) DEFINITIONS.—In this section:

(1) DEPARTMENT.—The term “Department” means the Department of Energy.

1                             (5) NATIONAL LABORATORY.—The term “Na-  
2                             tional Laboratory” has the meaning given such term  
3                             in section 2 of the Energy Policy Act of 2005 (42  
4                             U.S.C. 15801).

5                             (6) TRIBAL COLLEGE OR UNIVERSITY.—The  
6                             term “Tribal College or University” has the meaning  
7                             given such term in section 316(b) of the Higher  
8                             Education Act of 1965 (20 U.S.C. 1059c(b)).
