

AMENDMENT TO H.R. 144
OFFERED BY MR. GARCIA OF CALIFORNIA

Page 2, after line 7, insert the following:

1 (3) The future of America’s defense will rely on
2 advanced technologies to maintain its military supe-
3 riority over its rivals, including China. These tech-
4 nologies will require new levels of scientific and engi-
5 neering aptitude and understanding. Early career re-
6 searchers will play a critical role in the development
7 of these technologies, and the loss of an entire gen-
8 eration of researchers due to the COVID–19 pan-
9 demic will be detrimental to the United States na-
10 tional security.
