FOR WITNESSES APPEARING IN A NON-GOVERNMENTAL CAPACITY

Please complete the following fields. If necessary, attach additional sheet(s) to provide more information.

Are you a fiduciary—including, but not limited to, a director, officer, advisor, or resident agent—of any organization or entity that has an interest in the subject matter of the hearing? If so, please list the name of the organization(s) or entities.

I am an attorney representing many standards developing organizations, but my relationship with each is limited to providing legal advice and services. I am also a director of the American National Standards Institute (ANSI)

Please list any federal grants or contracts (including subgrants or subcontracts) related to the hearing's subject matter that you, the organization(s) you represent, or entities for which you serve as a fiduciary have received in the past thirty-six months from the date of the hearing. Include the source and amount of each grant or contract.

I and my firm are currently representing the Federal Deposit Insurance Corporation (FDIC) in a multi-year contract, advising the FDIC on the possible founding of a private sector organization to develop standards for technology and services procured by FDIC supervised banks. I do not see the maximum amount specified in the contract in my files, but I believe the authorization was for \$2250,000. The contract is currently on pause due to a leadership change at the FDIC.

My firm and I are currently representing Electromagnetic Security Consortium (ESC), a recently incorporated membership organization that will include the development of standards for electromagnetic security. It's initial funding is being provided by OMEP. OMEP is the official Oregon representative of the MEP National Network in Oregon, which was established and is supervised by the National Institute of Standards and Technology (NIST). The total funding currently made available to ESC is not to exceed \$25,750.

I expect that other clients have received federal funding, but I have no knowledge of such grants.

Please list any contracts, grants, or payments originating with a foreign government and related to the hearing's subject that you, the organization(s) you represent, or entities for which you serve as a fiduciary have received in the past thirty-six months from the date of the hearing.
